Half-Day Summer Camps

"Snow White"

ABOUT THE CAMP: Half day camps are specifically designed to introduce younger actors to the wonderful world of the theatre. Children need a imagination to grow, create, think and play. A theatrical experience builds self confidence, improves verbal and literary skills, teaches children patience, how to work as a team, how to deal with the unexpected and to think creatively. Theatre is the single most valuable place where kids can explore the endless possibilities of their imaginations.

Campers will play theatre games and learn to create characters while preparing a small presentation of "Snow White", narrated by the instructor and acted out by the children. There will be a presentation with simple sets and costumes on the Sunset Theatre stage on the last day of camp. *(ages 4-7)*
